There was 1- 300 game bowled in the singles event by Mike Hathaway. There were 35 entries in the singles 300 pot so Mike was paid \$35.00 for his 300.

There were no 300 games bowled in the doubles event. There were 43 entries in the 300 pot for doubles. That means that we will have a carry-over of the doubles pot for the first tournament of next season.

Thank you to all the bowling centers that hosted this event. And a big thank you to all of you that bowled in our 9-pin tournament.
