

APRIL 14, 1981 – Since this is our 40th Anniversary year, we felt it only fitting that we ask another member to join our “Beloved Lee” in our Jasper County Women’s Bowling Association Hall of Fame. There are many worthy candidates in our Association, yet when it came to making the decision, this girl was our logical choice.

She began bowling, as near as we can figure, in 1962 and being the leader that she is, immediately began accepting responsibility. She became Treasurer of her league in 1965. She served as Secretary of the Hawkeye League in 1966, '67, '68 and '69. YES, DEE, YOU'RE OUR HALL OF FAMER FOR 1981!

Dee began her continuous service as Association Secretary in the 1969-1970 Season. In fact, this year she received an award from the IWBA for 10 years of service. She has also served on the State Legislative Committee for two years.

Through the years she has always been concerned and caring about any task given to her. She has always answered any questions, silly tho they might have been, graciously. And if she didn't know the answer, found it for us.

Therefore, for meritorious service to her league, our Association and Bowling in general, we present our 1981 Hall of Famer, Dee Miller.
