

Our second inductee also has many qualifications:

She has served as both league and county officers.

She has been in and served as an officer on one particular league for 20-25 years. She has served as a delegate to State Conventions. She has bowled in 3 leagues weekly for several years. She always participates in local and state association tournaments. She has frequently participated in the WIBC National tournaments. She has had games over 250 and many 600 series. She carries an average of 170 plus. She always tries to be knowledgeable of the rules and to be helpful to those who aren't. She is

always a willing worker and has given a great deal of time and hard work to bowling. She has gained many bowling friends at all levels - local, state and national - by being a friendly outgoing participant. She tries to make bowling fun for everyone.

In serving as Secretary of the Wednesday Morning Coffee League, she has worked diligently to help fill out teams and bring in new teams to fill up all 16 lanes. There are few if any people except bowling lane employees who have brought in more adult bowlers to league bowling and given them more encouragement.

She has also marched in parades trying to draw more

people into our sport. Congratulations: Mary Lou Wickliff.
