

August 11, 1992

Two of our members have been elected to our Association's Hall of Fame for their outstanding service, achievements and dedication to the sport of bowling.

There is a placque with the Hall of Famers names on it that is on display at Center Lanes. These two names have been added to the placque. They will also receive a certificate from WIBC in the next few weeks.

The qualifications of our first inductee are as follows:

She has bowled since youth and has learned all phases from pin setting to lane dressing. She has devoted many hours to teaching people of all ages to bowl. Good sportsmanship, competition, a boost of confidence and a little one-on-one, can ease the most self-conscious person and these are some of the tools she uses. She has won many events in Jasper County Tournaments. She has also won events in the IWBA State Tournament, WIBC National Tournament, Iowa 600 Club Tournament, Iowa Open and the US Open Amatuer Top 32 Tournament. She has been Jasper County Women's Bowling Association Bowler of the Year four times. Her high game is a 297, high series 761. She received the High Average Award for 1991 with a 210 average. Congratulations: Melody Felton.
